From the President's Desk...

Dear Associates,

Our Association has completed 70 Years tenure, which is older than the Indian Nation and older than some of us too. But with age comes expertise, and during these years, we have been sharing this expertise with each other & helping the Industry evolve and grow from 50 odd shops (in Bengaluru) to 4500 Showroom conglomerate. The Association has been all ears all these years to the challenges faced by the Industry. We as an Association during these years relied on our elders who have laid a solid foundation for the Young and Mature for innovation and for a strong Association, to be able to continue this good work.

Our Industry is at the Cross Roads of piquant situations, price competition / rate fluctuations / influx from neighboring states etc. The competition seen these days is a threat to the small and medium outlets. We need to take diplomatic and drastic measures to safeguard the interest of all Jewellers.

We recently conducted BIJS 1st (B to C) Edition, held at Bengaluru Palace Grounds which was a huge success. This event was jointly conducted by "THE JEWELLERS' ASSOCIATION", Bengaluru and "THE ART OF JEWELLERY". The Association earned a token income of Rs. 10 lacs, and we intend to augment & continue this for the next 5 years. We have taken initiatives of a Uniform All Karnataka Daily gold price thru daily SMS to all jewellers and believe, this is in the interest of all of us and it would be only right that all the jewellers adhere to it in thought, word and deed, and not be like a big shark in our small well of resources.

SAI VRINDAVAN is another philanthropic programme, The Jewellers' Association has undertaken during this year. We have donated one block for the mentally challenged, and propose, ask members to donate wheel chairs to free treatment hospitals, the contributors will get their Ads on the Wheel Chair. We are sure most of our members who have contributed generously earlier, will continue to do so for this cause.

I take pride in announcing the unique initiative taken up by The Jewellers' Association and the Silver Sub-Committee in implementing the one-of-its-kind, industries "First" Silver Standard, the 99% Fine Standard.

The Jewellers' Association, in tune with the efforts of past and present Boards, has managed to build a 2 Crore corpus fund in the form of Fixed Deposits.

I am a firm believer in bringing in new acumen and thoughts, and come forward to any honorary post. This will bring in new ideas and re-modulation. I encourage and call upon the youth of our Industry to serve the association and take it to greater heights.

I once again thank the Association and all the associates within the Industry as a whole, for allowing me to serve as its President for the last 4 momentous years, to the culmination of my tenure, which I sure will cherish as one of my life's special postings.

Thanking you,

For The Jewellers' Association,

Sri Srinivas R called upon the Sub-committee heads to give their reports.

Sri Vivek B Chand, Chairman Legal Sub-committee spoke about the BBMP Trade Licence. He said according to the clarification given by the BBMP Commissioner earlier, the jewellers who do not process jewellery in their store were exempt from the licence requirement. But recently the BBMP people have again started a drive and are insisting on the licence. So the Association has again written to the Commissioner and a reply is awaited. He informed the members not to pay till we get another clarification from the BBMP.

Sri Srinivas R, Chairman Silver Sub-committee spoke about the low quality of local refined silver available in the market, sometimes as low as 97% only, and informed the Members about the efforts taken by the committee to bring in a standard of 99% and requested all the Members to be aware of the facts and insist on the 99% local silver henceforth and reject the non standard silver. He also requested to use the imported 99.9% silver directly. Sri Vilas Rao, a member and also the President of the Refiners & assayers association, pledged the support of their association in this Endeavour.

Sri Ramesh D V, Treasurer, gave the Financial Highlights of the Association- From a humble beginning of about Rupees Two thousand, today we have a total of about 1.67 crores in our coffers. And we have annual income close to Twenty one lakhs and increasing every year.

Sri Srinivas R highlighted the need to give back to the society in the form of charity and called upon the representatives of Sai Vrindavan for a presentation on the building project for the mentally challenged on magadi road. After the presentation, the Members approved a donation of Rupees Ten Lakhs from the Association for the project. More than thirty Members voluntarily agreed to donate a total of about Rs 7.5 lakhs. A cheque for Rupees One Lakh was handed over to Sai Vrindavan as the initial payment from the Association. Sri Vivek B Chand was made Chairman of the project.

Any other subject with the permission of the chair:-

Sri Nagaraj of TAP Jewellers asked to immediately invest the funds of the Association in a good property to conserve the funds and also to generate income for the Association. He also insisted on forming a committee for this purpose. Sri Sreedhar G V replied that a few people from our Members will be shortlisted and a committee would be formed shortly.

Sri Y.S. Ravikumar, the Joint-Secretary of the Association delivered the vote of thanks, and thanked all those who supported in making the event a successful one.
