*from the  
President's Desk...*

Dear Members,

**Season's greetings and best wishes!!!**

Times were never more challenging than the present. As the rates are galloping to new highs and businesses recording new lows, we have to rethink and restructure our business strategies. Unfortunately the law makers assume that ours is a luxury commodity and fail to realize that ours is a poor man's asset. All our suggestions and recommendations have gone in vain. With all these, we are blessed in being in a sector, where though the impulsive buying has drastically come down due to price rise, the compulsive buying of weddings and other occasions has kept us going.

Since the very existence of the mankind jewellery has been an intrinsic part of our civilization because of its intricate and intriguing features. Business was always there and definitely will be there. It is just that we have to adapt ourselves to the changing market dynamics.

As always we had another eventful year and would like to use this opportunity to thank all the proactive and dynamic Board members for their support and participation. My special thanks to our Hon. Secretary for being very supportive. I also complement our silver committee for their new initiative to bring in the quality and standard in the silver trade.

Thank you all for this wonderful opportunity. Our JAB staff has been very supportive and dedicated. Wishing the new team all the very best and always **assuring my services in the interest of Trade and JAB.....**

Yours Truly,

**S. VENKATESH BABU**  
(President)

A clarification was demanded by a member from the audience. He raised that it is about one or one and a half years since the association has availed loans and demanded to know how these loans are being repaid. The president replied that keeping the basic expenditure apart, as much as possible is being repaid. The treasurer confirmed the same and added that because of the low income due to lesser exports that year, the repayment was delayed.

On being asked what efforts were taken to revive or improve the income in the present year, it was affirmed that the B2B show was being looked forward to in order to help generate such income. About Rs. 15,00,000/- was expected out of this show. Also, the Treasurer mentioned that in the new property, all the floors weren't occupied. Hence, there weren't many rents generated and that in the Chickpet property, a couple of tenants had agreed to vacate but one particular tenant has appealed and filed a petition in the court of law. Once this is resolved, the building will be vacated and refurbished. The members opined that care has to be taken while getting this building altered as they had had bitter experiences the earlier time when they tried to do the same. The president responded that care had been taken in this concern.

It was proposed by the board of members that the last year's auditors M/s Ramaraju and Co. would be appointed once again as auditors and that the same auditing fees of Rs. 25,000/- will be continued and paid the current year.

Proposed by: Mr. T.R. Satyanarayana Setty of M/s. Gayathri Jewellers.

Seconded by: Mr. T.A. Sampangiram of M/s. S.K. Ayodhyarama Setty & Sons.

Local auditors: Mr. Goutham M Kothari of MRK Jewellers and Mr. Raghu of M/s. Raghu Jewellers were selected. Mr. Venu of M/s Jayalakshmi & Co. and Mr. Raghu of M/s Raghu Jewellers were thanked for being previous year's local auditors.

Open House discussion:

1. It was proposed by audience that auditing fees should be fixed in the AGM and it shouldn't be floating and that it should be passed.
2. There has to be a comparison between previous year and current year in the budget, auditing fees, etc.
3. It was questioned why there hasn't been a plan in the budget to repay loan. It was clarified that it will be repaid this year and this budget was meant for expenses and not for repayment of loans.
4. The membership fees for the new entrants into the association was proposed to be hiked by the audience from lifetime's fee of Rs.15, 250/- to Rs. 25,250/- and Mahaposhak's fee of Rs. 25, 000/-to Rs. 50,000/-. It was agreed upon that a notice of 2 months will be issued as an open window before this revision. The date was fixed to 31st Dec.
5. It was suggested that there should have been an appeal for TDS refundable and that it wasn't necessary to pay the four lakh odd taxes. Also, that the auditors should have taken care of the same. The treasurer confirmed that while paying the third year tax, this suggestion will be considered.
6. Mr. Sushanth, SRJ said that the expenses of SMS charges were too high and demanded to know who the vendor was and the cost per SMS and also suggested that JAB used way2sms gateway maybe used to reduce the expenses. Mr. Ravikumar clarified that for a thousand plus member base, the way2sms or such other gateways are not practical and pose issues. Moreover, they have limitations. Currently 11 paise is being charged per SMS and the vendor is M/s Access One Solutions. Mr. Ravikumar also expressed that the delivery, performance and consistency is very important.

Budget of Rs. 23,60,800/- was approved.

Proposed by: Mr. Nagaraj P of M/s. T. A. Padmanabhaiah Setty & Co.

Seconded by: Mr. V.M. Srirama Setty of M/s. Sri Vasavamba Jewellery Mart.

During this time, a few things were suggested by the audience:

"The co-opted members had to be given prominence i.e., only if they were showing equal importance and interest in the association.

"A code of conduct needs to be maintained by contestants of elections as there were stickers stuck randomly in front of other stores apart from those of the jewellers.

"Mr. B.R. Ashok Kumar of M/s. Geetha Jewellers expressed concerns over reducing negativity and bringing speakers from association in order to spread positive vibes & motivate the businessmen and stop spreading negativity. The president replied that the last Saturday of the month may be observed for such purposes. For this, one of the directors expressed the concern that such occasions have not been encouraged earlier through enough registrations. He also said if the members support such initiatives with at least 10% of their effort, it will be successful.

"Mr. Sridhar brought out that the luxury brands are overpowering the gems and jewel industry today. The position of the industry has come down from 2nd to 16th or 17th position. He quoted the example of Tanishq advertisement and reinforced that the activities of the association should be transformational. He welcomed the youngsters to enter the industry and also expressed the concern that the consumers are lesser interested in gold today and that it is being sold more like commodity now. He said that a transformation is required. The industry has lost consumer confidence and that they should build that confidence. He said that the CAD issue is the biggest problem and in this regard, they are giving suggestions to the Government to ensure there will be gold monetization and improve the skills. He said that as the industry will perform, the government will also consider.

"Mr. Sampangiram requested for co-option of outsiders too. He also suggested that instead of Saturday, it is preferable to have the Saturday meets on Tuesday or Friday.

"A member suggested that the MC should be a member from within the association. During Shradanjali, ideally they should read all the names first and then mourn in silence but if they do both simultaneously, it is not appropriate and the shradanjali should always be closed with a shanthi mantra. Regarding the expenditure, more focus should be given especially to save money wherever possible and he feels they are probably lowering in the form and should maintain a stance and that those who aspire to stand for a post in the elections should be worthy of the position and should work towards progress after winning.

"The director gave a report on the activities conducted in the last year including fun and business. He expressed the fact that as there isn't good registration and participation, it is de-motivating to hold such occasions.

"Another member raised a concern that in Chickpet area, the business has come down. The numbers of customers have drastically reduced. The businessmen there, are all trying to move out from that locality. He suggested that after metro has come, the buses or mini buses should start plying from KR Market to SBM and thru Avenue Road. If the transport corporation doesn't help, the association should do this.

"A member requested the president to involve other associations and improve the transport facility to Chickpet. The president replied that such an initiative is already being done for the Swach Bharath Abhyan through WhatsApp and this will be considered too.

"The director requested the members to bring such concerns up during talks and speeches delivered in programs conducted so that they will directly reach the concerned authorities.

"Mr. B.R. Ajit Kumar of M/s. Geetha Jewells, said that there will be co-operation from the member end. The association should just consider the suggestions seriously and implement the same. He said that the presentation of the activities lack personal intimacy. If there is personal invitation, the member participation will naturally increase. He also said, the activities should be oriented towards trade. The association should not be for entertainment but be for development. He requested to arrange proactive initiatives like a 'Jewellers Day' and add an element of newness & innovation. The board should encourage members who are amateurs and support them to grow.

"Another member Mr. V.M. Manjunath of M/s. Ekadanta Jewellers asserted that he was not included even though he was eligible into the cricket tournament and also that the members suggestions are not being taken up seriously like that of the members' offer to donate two buses. At this moment, another member Sri. Suryanarayana Setty offered Rs. 50,000/- on the spot for this purpose.

"Mr. Y.S. Ravikumar pitched in at this juncture and requested Mr. V.M. Manjunath to not take this personally and that this will be particularly discussed later on. He reassured that not including him had some other reasons and were absolutely not personal. Also, he sensitized the members at this time that there have been occasions where members bring acquaintances but instead of that it will be appreciated to make them members instead keeping the interest of the growth of the association in mind.

#### Election Announcement:

The president requested two members to volunteer as election officers. Mr. V.M. Manjunath of M/s. Ekadanta Jewellers, Mr. T.N. Sandeep of M/s. TAP & Co. and Mr. B.R. Ajit Kumar of M/s. Geetha Jewells were chosen for the same. He requested Mr. Prashanth J Mehta to introduce the candidates.

Some changes had been made to finish the process without issues this year. There are two colour bands: white and yellow. The process is made electronic and booths are increased. Everybody was asked to register for voting. The white bands represented those who were eligible to vote and yellow for those who are not eligible. The scanner scanned the bands and allowed for voting. After the scan, the member could reach the voting station and vote. A presentation was given on how to use the touch screen booths.
